TITLE:

She had a friend when she was younger that was killed in Guyana. Her name was Jane Mutschmann. She believes that her brother, Mr. Charles Mutschmann must have been contacted by whoever did all that work to find relatives when all the suicides happened. She would like to locate Mr. Mutschmann. What agency is this. Could we check this out?

Both of the parents (Mutschmann) are dead now. He was in the Navy in about 1968 and he lived in the 1600 block of Chatham in Racine when they were growing up, in the early 70's.
